THE departments of this School have been filled and extended by the appointment of the Hon. THOMAS B. MONROE, who has long been a successful instructor in various branches of the Law, to the professorship he has accepted. The faculty therefore consists of The Hon. GEORGE ROBERTSON, (late Chief Justice of Kentucky,) Professor of Constitutional Law, Equity, Juris-

prudence and Pleading, and the Law of Comity.

The Hon. THOMAS A. MARSHALL, (late Chief Justice and now Judge of the Court of Appeals of Ky.,) Professor of the Common Law, Elementary and Practical, including Pleading and Evidence. The Hon. THOMAS B. MONROE, (Judge of the U. S. District Court for Kentucky,) Professor of Civil, National, Criminal and Commercial Law. And

M. C. JOHNSON, Adjunct Professor, who will attend the class in the casual absence of the regular Professors. The winter session of this School will commence, as usual, on the 1st of November, and will be prolonged to five in-stead of four months, as herelofore. This extension of the session will enable the Professors to give a more extensive and therough course of instruction, which will be carried on principally by daily examination in designated portions of the text books, with such explanations and illustrations as may be deemed necessary, and also by Moot Courts, for pleading and the discussion of legal questions, and by re-euring from the students written exercises in drawing up bonds, deeds and other legal instruments, arguments and opinions. The attention of the students will also be specialy directed to the history of Jurisprudence, and to Civil History as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students.

The extension of the session and of the course of instruction will produce some increase in the cost of the Professor's tickets, the particulars of which will be hereafter announced. It is expected that there will be a second session of five months in each year, and in fact that arrangements will be made for a continuance of regular study and exercises during the whole year, by such students as may desire it. Diplomas will be granted at the end of each session to such as are found qualified to receive them. M. C. JOHNSON, octal—trif Charman Board Trustees. CARDS, &C.

HARDWARE AND CUTLERY, FALL STOCK FOR 1852. Fall Trade, and in calling the attention of the mer-THE undersigned are now in receipt of their entire chants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must necessarily accrue when brought through by canals and rail-roads. The undersigned are also enabled to place their cus-tomers on an equal footing with those purchasing in any other market, from the fact that their European goods being all imported direct from the manufacturers by way of New Orleans without touching New York, thus enabling them to offor their goods at a small advance on importation cost.

Merchants, Blacksmiths, Carpenters, &c., visiting Nash-

ville are invited to call and examine their stock before purchasing.
